- 3) New board of directors
  - ✚ It was suggested that the next president of the Cuban congress could also assume the presidency of AB-WRSA and that it would be interesting to have another member of South America and another member of North America to choose from.
  - ✚ It was highlighted the need for the treasurer not to belong to countries like Cuba or Venezuela, due to the economic instability of these countries.
- 4) Other subjects
  - ✚ Kassy reported that was having problems in website maintaining and so Luiz volunteered to regularize the login and password for her, Gaby and Yasmin.
  - ✚ It was decided to conduct a survey to better understand the rabbit production in Americas. These questionnaires will be written in Portuguese and Spanish and spread to farmers by whatsapp groups.
